

## **Donna Reeve, M.S.**

ABMP Director  
(AAPM representative)

Donna Reeve received an M.S. degree in medical physics from the University of Texas Graduate School of Biomedical Sciences (GSBS) in Houston, Texas. She was a Senior Medical Physicist at MD Anderson's Department of Imaging Physics from 2004-2019 where she was the lead MR physicist for the MRI and ultrasound quality assurance programs, GSBS Medical Physics Program Faculty, and an Imaging Physics Residency Clinical Coordinator. She is certified by the American Board of Radiology in Diagnostic Medical Physics and certified by the American Board of Medical Physics in Magnetic Resonance Imaging Physics.

Ms. Reeve is Chair of the American College of Radiology Subcommittee on MRI Accreditation Physics and is a member of the AAPM MR Subcommittee and the MR QA working group. She was named fellow of the American Association of Physicists in Medicine in 2019.

During her career Ms. Reeve has taught numerous medical physicists, residents, fellows, graduate students and technologists. She received the 2017 Outstanding Teaching Award from the GSBS Medical Physics Graduate Program and has twice received the School of Health Professions Outstanding Educator Award.
